

Staff Statistician

The State Tax Commission of Missouri has an employment opportunity for a Staff Statistician commencing July 1, 2006. The Commission is seeking a confident and highly motivated individual who will direct the statistical studies for this agency. The individual will be responsible for the design, interpretation and implementation of statistical studies on real estate values providing analysis and inferences on the level of assessments, evaluation of appraisal performance and the quality of the assessment process in the 115 jurisdictions in this state.

The position requires any combination of education and experience equivalent to graduation from an accredited college or university with major course work in statistics, business, accounting or related field in which applied statistics are utilized. Computer skills and knowledge of basic statistical software is required. Salary range \$30,000-\$40,000.

Interested candidates should send resume, cover letter and a State Tax Commission employment application to: State Tax Commission, P.O. Box 146, Jefferson City, MO 65102-0146.

An employment application can be obtained from the State Tax Commission web site at www.stc.mo.gov
